¹ Fried Frank's billing rates for associates are normally adjusted on September 1 of every year to reflect the associate's "graduation" to the next seniority class. Thus, all hourly billing rate ranges represent the associate's hourly billing rate from June 1, 2006 through August 31, 2006 and from September 1, 2006 through September 30, 2006. If there is no hourly billing rate range for an associate, the hourly billing rate represents that attorney's hourly billing rate in effect at the time such associate performed services for the Official Committee of Equity Security Holders.
